

OPEN DAYS AND EVENINGS

at Wirral Secondary Schools

Parents of pupils who are due to transfer to secondary schools in September 2012 are invited to visit Wirral's Secondary Schools over the coming weeks. Wirral schools offer high quality education which is judged by OFSTED to be better than similar authorities and the England average overall. Continuous involvement in major national initiatives has resulted in excellent teaching and modern facilities which are designed to cater for pupils of all abilities and aptitudes.

Wirral's schools have been at the forefront of many of the major developments and are well placed to meet the needs of the pupils of Wirral and the national agenda for education. There is a wide diverse range of school specialisms across all of Wirral's Secondary Schools. Open Days and Evenings give parents and pupils the chance to see for themselves the excellent education that Wirral schools can offer.

Make the time to go and I'm sure that you will be impressed.

Interim Director of Children's Services

Headteacher's Talk
