

## HIGHER BEBINGTON JUNIOR SCHOOL – THE BIG WRITE

### WOW WORD HOMEWORK - YEAR 6

Your homework is to go home and talk about *WOW* words! Find an adult who is willing to give you some time to discuss words you might want to use in a story about being imprisoned in a Victorian workhouse. It would be a good idea to turn off the T.V. or go somewhere quiet to do this.

Write down your five best *WOW* words below to help you remember them. You will need them for our Big Writing Session on Friday. Write the definitions of the words to help you use them accurately!
