## 2022/23

At Higher Bebington Junior School, we believe the best schools have a pupil-led culture where children take on key leadership roles and have their voice heard. In September, classes were very busy voting for their Sport Crew representative for their class.

The Sports crew offer great support for Mr. Rudd in the running of PE and physical activity at HBJS. The Sports Crew meet termly with Mr. Rudd and are actively involved in a variety of different jobs. The representatives for each can be found on the next page.

# Inter-House Event

## World Cup Sticker Competition

What a competitive and enthusiastic bunch we have at HBS! Mr Rudd, with the support of the Sports Crew, were busy running a World Cup Sticker Inter-house event. The children were competing against their year group peers to set their personal best score on the game 'Clear-out'. 'Clear-out' requires the children to strike as many LED lights in under a minute. The top 6 from each year group were awarded a Qatar FIFA World Cup Sticker book and 5 packs of stickers each. A massive congratulation to the winning competitors and those who got involved as they earned points for their school house!

# Y6 Cluster Football Competition

To mark the start of our Bebington cluster programme, we were invited to compete in a Y6 football competition at our local neighbours, Coop Academy Bebington. Taking two teams, the children fought hard with great football on show. It was very much a low scoring event with both teams finishing unbeaten -

## Corgi Cup Success!

Winter is here! An excited Year 5 team took the short journey to Coop Academy Bebington to face Mr. Greenway's Woodchurch Road side. A big shout-out must go to both goalkeepers for making some superb early saves and keeping the game goalless. As the game progressed, chances opened up and it was Woodchurch Road who took the early lead. Not being deterred from conceding early, we persevered and equalised before the end of the half. The second half was underway and the game was very much end to end with HBJs conceding another goal. We continued to fight back and clawed the equalizer with 10 minutes to go. The game was pushing towards extra time when a late game by HBJs secure the win.... 3-2 HBJs!

A superb display by the group with great attitudes all round!

Mr. Rudd

# WSG - Indoor Athletics (Y5/6)

A mixture of Y5 and Y6 children represented the school brilliantly at Coop Academy Bebington, taking part in an athletics event against other Wirral schools. Children took part in both field and running events. They expertly tackled activities such as javelin, high jump, and long jump with the event culminating in a series of dramatic relay races. Some of the children had never taken part in these events previously. A lot of fun was had by all as every single participant threw themselves fully at everything they tried. We were very proud of the sportsmanship our children demonstrated throughout the evening!

# Elf Run 2022

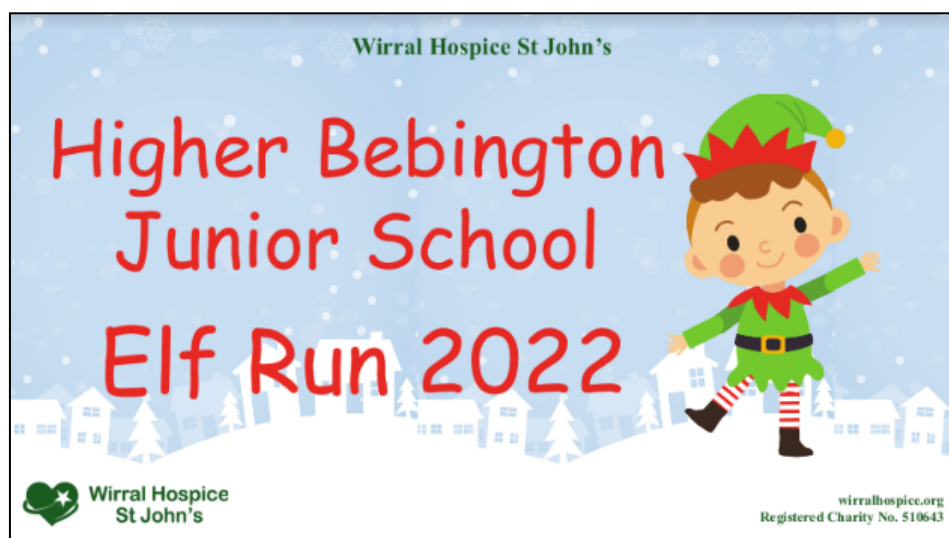

With the Winter's frost causing many problems over the last few weeks, it was amazing to be able to complete the Elf Run as a school.

If you didn't know, The Elf Run is a fundraising initiative organised by The Wirral Hospice St Johns. Since 2019, Wirral primary schools have been taking part in this festive run and have raised over a whopping £50,000, which has helped keep the care free for the hospices patients.

The Elf Run was enjoyed by the whole school as we hopped, skipped, walked and ran our mile for such a good cause. A special mention goes to Mr. Smith for working tirelessly to keep our playground safe!

Our collection will be collected in the New Year.

Mr. Rudd

## P.E. Stars of Autumn

HBS are actively involved in the Wirral School Games. As part of this initiative, the School Games promote five values to recognise how the experience of sport should be epitomised and embodied within schools, and to reflect the 'spirit' of the School Games. At our school, we promote these values in P.E. lessons and during game play. To recognise these values, each class teacher awards a pupil the 'P.E. Star of the Term' for demonstrating them.

## Celebrating Success

Recently, a member of year 4 called Frankie took part in his first taekwondo sparring championship and came out with a medal! Frankie went on to explain what was required of him and even tested his ability to see if he could high kick Mr Rudd's head - The answer is YES!

Keep it up, Frankie!
