RELAX IDEAS

I made a difference

Every time you make a difference by acting kindly or helping others draw a starfish in a box. Can you fill it up?

KINDNESS

Laminate and cut out. A reminder of the starfish story and thinking of things to do to make a difference

Starfish Story

A man was walking along a deserted beach at sunset. As he walked, he could see a young boy in the distance. As he drew nearer, he noticed that the boy kept bending down, picking something up and throwing it into the water. Time and again he kept hurling things into the ocean.

As the man approached even closer, he was able to see that the beach was covered with starfish that had been washed up by the tide. The boy was picking them up one at a time and was throwing them back into the water. The man asked the boy what he was doing.

The boy replied, "I am throwing these washed-up starfish back into the ocean, or else they will die through lack of oxygen. "But", said the man, "You can't possibly save them all, there are thousands on this beach, and this must be happening on hundreds of beaches along the coast. You can't possibly make a difference."

The boy looked down. He frowned for a moment, then bent down to pick up another starfish, smiling as he threw it back into the sea. He replied, "I made a huge difference to that one!"

SLEEP TIPS

Getting enough sleep is so helpful to our wellbeing. Cut out the tips and read them often to remind yourself on how to get the best night's sleep

Sleep tips

DO

- Make a worry or dream doll, tell all your worries to your doll before you go to sleep and pop your doll under your pillow.
- Make a dream catcher and catch any scary dreams.
- Decorate a pillowcase with happy thoughts. Read those happy thoughts before you go to sleep.
- Try relaxation exercises before you go to bed on a night
- Have a nice milky drink to help you relax and sleep better.
- Watch happy films or read happy books.
- Some exercise during the day so you feel physically tired. This could be in your house. Jog on the spot, jumping jacks, bunny hops, up and down stairs as many times as you can.
- Go to bed at a reasonable time. (Your mum or dad know best!)
- Have a warm relaxing bath before bed.
- Use a cuddly toy to cuddle and keep close to you.
- Talk to someone if you are worried about anything. When we are worried, we can feel stressed and don't relax properly when we go to bed.
- Get into a comfortable position in bed.
- Leave a night light on if that helps.
- Put some socks on if you get cold feet. Warm feet will help you get to sleep quicker.
- Go to the toilet before getting into bed. You don't want your full bladder to wake you up in the night.
- Have a bedtime routine and stick to it every night. Bath, snuggle with a book, warm milky drink.
- Draw a picture of something lovely you WANT to dream about just before bedtime.
- Turn off all computers and mobiles two hours before bedtime.
- Share any feelings with an adult before you go to bed.
- Make your last meal your supper/dinner to allow food to digest before sleep time
- Drink only decaffeinated drinks near bedtime
