

## Maths

This term, the children will be taught :

### Division

- To know and be able to use division facts for 2, 5, 10, 3, 4, 8 times tables.

### Measurement:

- Measure, compare, add and subtract: lengths, mass and volume.
- Use appropriate vocabulary.
- Find totals and calculate change, using both £ and p.
- Estimate and read time.
- Use time vocabulary and time facts.
- Compare durations of events.
- Solve word problems for length, mass, volume, time and money.
- Use knowledge of place value, addition and subtraction and multiplication and division to solve measurement problems

## Science

Children will be taught:

### How does your garden grow?

We will be learning all about plants including what they need to grow and the parts of plants.

### Amazing bodies

We will learn about eating the right amounts of different types of food to remain healthy and the use of skeleton and muscles for support, protection and movement.

## English

### Reading

Along with regular reading at home, the children will participate in guided reading sessions. This will help to develop their vocabulary and the breadth and depth of their reading, making sure that they become independent, fluent and enthusiastic readers who read widely and frequently. They will develop their understanding and enjoyment of stories, poetry, plays and non-fiction.

### SPAG (Spelling, Punctuation and Grammar)

The children will be taught to:

- Continue to add to their growing list of vocabulary;
- Use accurate punctuation in writing;
- Use conjunctions, adverbs and prepositions to express time and cause;
- Extend the range of sentences with more than one clause by using a wider range of conjunctions, including: when, if, because, although;
- Choose nouns or pronouns appropriately for clarity and cohesion and to avoid repetition;
- Use the present perfect form of verbs in contrast to the past tense.

## R.E (Sikhism)

Children will be taught about:

Stories about Guru Nanak and the Guru Granth Sahib and its importance for Sikhs.

Gurpurbs

The five K's

Sikh's belief in God

The Gurdwara

## PSHE

Children will be taught about:

Dreams and Goals

Healthy Me

# Year 3 Curriculum Spring Term

## Computing

Children will be taught:

- Programming
- Data and Information

## French

Children will be taught:

Names for animals

French traditions including carnival and Easter

Numbers between 1-15

Asking and answering questions

### Writing

The genres we will be looking at this term are poetry, character and setting descriptions, instructions, reports, play scripts and stories. The children will be taught how to plan, draft and write their work. They will also be encouraged to assess the effectiveness of their own and others' writing, to suggest improvements and check for spelling and punctuation errors.

## PE

Children will be taught about:

Gymnastics and Basketball in the first half of the term and Dance and Hockey for the second half of the term.
